

Background

The Sports Premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. This funding is being jointly provided by the departments for education, health and culture, media and sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children. All state-maintained schools, academies, middle schools, special schools and pupil referral units which have primary aged pupils will receive the funding.

This funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools. Boutcher Primary School will be held accountable for how the additional funding will be used to support pupils' progress and participation in PE and school sport. The school is required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details. This will ensure that parents/ carers and others are made fully aware of the PE and sporting provision at Boutcher Primary School.

The PE and sport premium is used to secure improvements in the following 5 key indicators.

You should use the PE and sport premium to secure improvements in the following 5 key indicators. Government guidelines are outlined below.

Engagement of all pupils in regular physical activity, for example by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes
- establishing, extending or funding attendance of school sports clubs and activities and holiday clubs, or broadening the variety offered
- adopting an active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2 - every child should leave primary school able to swim

The profile of PE and sport is raised across the school as a tool for whole-school improvement, for example by:

- actively encourage pupils to take on leadership or volunteer roles that support the delivery of sport and physical activity within the school (such as 'sports leader' or peer-mentoring schemes)
- embedding physical activity into the school day through encouraging active travel to and from school, active break times and holding active lessons and teaching

Increased confidence, knowledge and skills of all staff in teaching PE and sport, for example by:

- providing staff with professional development, mentoring, appropriate training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school

- hiring qualified sports coaches and PE specialists to work alongside teachers to enhance or extend current opportunities offered to pupils - teachers should learn from coaches the necessary skills to be able to teach these new sports and physical activities effectively

Broader experience of a range of sports and physical activities offered to all pupils, for example by:

- introducing a new range of sports and physical activities to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sports and physical activities and clubs
- providing more and broadening the variety of extra-curricular physical activities after school in the 3 to 6pm window, delivered by the school or other local sports organisations

Increased participation in competitive sport, for example by:

- increasing and actively encouraging pupils' participation in the [School Games](#)
- organising more sport competitions or tournaments within the school
- coordinating and entering more sport competitions or tournaments across the local area, including those run by sporting organisations

Our School Priorities are:

1. To improve the engagement of all pupils in regular activity to improve their physical and mental health by offering a range of activities in PE, at break and lunch times, during after school clubs and by prompting an active lifestyle.
2. To increase the confidence, knowledge and skills of all staff teaching PE and sport.
3. To increase opportunities for children to participate in a broader range of sports and activities.
3. To increase participation in competitive sports events.
4. To increase the number of children leaving Boutcher Primary School as competent swimmers.

Allocation:

Boutcher Primary School will receive £17,810 of Sports Premium Funding for 2022/23.

The payments are made up from £16,000 per primary school, plus £10 for each pupil. The funding will be received as follows:

- £10,389 in October
- £7421 in February

How will the funding be spent?

At Boutcher Primary School, we believe that we must spend our funding to improve the quality of the PE, sport and physical activities we offer our pupils to a consistent, reliable and high standard. Our school has spread out the funding to target as many areas as possible. We have split up the funding by the three key areas; physical education, healthy active lifestyles and competitive sport.

Harry Regan, a PE Specialist, will be employed to teach an additional PE lesson increasing the children's physical activity and in turn improving physical and mental health. This will also help to offer a broader range of sports and activities for the children. In addition, to supplement this, outside

agencies will offer two after school clubs per week to further promote physical activity and a broader range of sports/activities on offer. PE Lead to also offer another sports club.

Classes will also participate in the Boutcher mile on a weekly basis. A cycling awareness course will also be offered as will a camping trip for Year 4 and a residential trip for Year 6.

We will be offering offsite swimming lessons in order to ensure more able swimmers participate in swimming activities in an environment that will stretch and challenge their swimming ability as well as providing teaching for those who are not confident swimmers.

To engage children in competitive sport, not only in school but against other schools, competitions will be found and teams entered across a range of sports.

It is the vision of the school to promote a varied, curriculum linked PE provision that can be tracked across all year groups from Reception to Year 6 to provide a whole school approach to PE. It is the aim to improve pupils' fundamental movement patterns, co-ordination, agility and physical skills that can be applied to a range of physical and sporting activities with teachers confident and competent to do this. We want our pupils to leave Boutcher living healthy, active lifestyles and confidently engage in physical and sporting activities. To enable the school and teachers to provide this, we aim to buy into Create Development's PE Scheme of Work that offers a PE scheme of work that provides a broad and varied whole school approach to PE that can be tracked from Reception to Year 6 delivered by trained, confident and competent teachers who have access to online and in person training.

To ensure that Boutcher pupils get the best possible enjoyment and learning from P.E lessons equipment will be purchased as and when necessary.

See table below for estimated costs and their allocation.

Area	Action	Total Estimated Cost
<p>Engagement of all pupils in regular physical activity to include increasing the number of children leaving Boutcher Primary School as competent swimmers.</p>	<p>Additional weekly PE lesson taught by a PE Specialist alongside teachers teaching one PE lesson per week offering a varied PE curriculum relating this to PSHE Healthy Eating Units and other cross curricular links. Outside agencies and other providers to offer after two after school clubs teaching a wide and varied range of activities and sports especially less popular and mainstream sports. PE Lead to teach an additional sports club after school. Adopt a whole school approach to PE. To buy into Create Development's PE Scheme of Work to provide a long-lasting legacy for PE at Boutcher.</p> <p>Hire of swimming venue and use of qualified swimming teacher.</p>	<p>PE Specialist Teacher Harry Regan = £8000.</p> <p>Agencies to provide after school clubs = £1500.</p> <p>Create Development PE Scheme of work = £5996 split over two years so £2998.</p> <p>School Sports Day venue hire and additional resources = £500.</p> <p>Swimming pool and swimming teacher hire = £4000.</p> <p>Sports Equipment Budget = £812</p> <p>Total Estimated Cost = £17,810</p>
<p>The profile of PE and sport being raised across the school as a tool for whole school improvement.</p>	<p>Linking PE with other subjects, sport and PE linked to national or local events and involving children in sporting events and competitions. Whole school approach to PE to be adopted. To buy into Create Development's PE Scheme of Work.</p>	
<p>Increased confidence, knowledge and skills of all staff teaching PE and sport.</p>	<p>To buy into Create Development PE Scheme of Work who offer training days for teachers. PE lead t also offer support.</p>	
<p>Increase participation in competitive sports events.</p>	<p>PE Subject Leader to access other opportunities with other local schools and sports clubs.</p>	
<p>Broader experience of a range of sports and physical activities offered to all pupils</p>	<p>After school clubs to improve the range of different of different sports and activities on offer. Outside agencies to be contacted about offering activities in school. Children to go on a camping trip/residential trip where a broad range of more unusual activities offered like orienteering, climbing, abseiling etc.,</p>
